§ 4.1-1302. Search without warrant; odor of marijuana.

A. No law-enforcement officer, as defined in § 9.1-101, may lawfully stop, search, or seize any person, place, or thing and no search warrant may be issued solely on the basis of the odor of marijuana and no evidence discovered or obtained pursuant to a violation of this subsection, including evidence discovered or obtained with the person's consent, shall be admissible in any trial, hearing, or other proceeding.

B. The provisions of subsection A shall not apply in any airport as defined in § 5.1-1 or if the violation occurs in a commercial motor vehicle as defined in § 46.2-341.4.

§ 15.2-919. Regulation of motorcycle, moped, or motorized skateboard or scooter noise.

A. Any locality may, by ordinance, regulate noise from a motorcycle, moped, or motorized skateboard or scooter, as defined in § 46.2-100, which that is not equipped with a muffler and exhaust system conforming to §§ 46.2-1047 and 46.2-1049; if such noise may be hazardous to the health and well-being of its citizens.

B. No law-enforcement officer, as defined in § 9.1-101, shall stop a motorcycle, moped, motorized skateboard, or scooter for a violation of this section. No evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other proceeding.

§ 46.2-334.01. Licenses issued to persons less than 18 years old subject to certain restrictions.

A. Any learner's permit or driver's license issued to any person less than 18 years old shall be subject to the following:

1. Notwithstanding the provisions of § 46.2-498, whenever the driving record of a person less than 19 years old shows that he has been convicted of committing, when he was less than 18 years old, (i) an offense for which demerit points have been assessed or are assessable under Article 19 (§ 46.2-489 et seq.) or (ii) a violation of any provision of Article 12 (§ 46.2-1091 et seq.) or Article 13 (§ 46.2-1095 et seq.) of Chapter 10, the Commissioner shall direct such person to attend a driver improvement clinic. No safe driving points shall be awarded for such clinic attendance, nor shall any safe driving points be awarded for voluntary or court-assigned clinic attendance. Such person's parent, guardian, legal custodian, or other person standing in loco parentis may attend such clinic and receive a reduction in demerit points and/or an award of safe driving points pursuant to § 46.2-498. The provisions of this subdivision shall not be construed to prohibit awarding of safe driving points to a person less than 18 years old who attends and successfully completes a driver improvement clinic without having been directed to do so by the Commissioner or required to do so by a court.

2. If any person less than 19 years old is convicted a second time of committing, when he was less than 18 years old, (i) an offense for which demerit points have been assessed or are assessable under Article 19 (§ 46.2-489 et seq.) or (ii) a violation of any provision of Article 12 (§ 46.2-1091 et seq.) or Article 13 (§ 46.2-1095 et seq.) of Chapter 10, the Commissioner shall suspend such person's driver's license or privilege to operate a motor vehicle for 90 days. Such suspension shall be consecutive to, and not concurrent with, any other period of license suspension, revocation, or denial. Any person who has had his driver's license or privilege to operate a motor vehicle suspended in accordance with this subdivision may petition the juvenile and domestic relations district court of his residence for a restricted license to authorize such person to drive a motor vehicle in the Commonwealth to and from his home, his place of employment, or an institution of higher education where he is enrolled, provided there is no other means of transportation by which such person may travel between his home and his place of

59 employment or the institution of higher education where he is enrolled. On such petition the court may,
60 in its discretion, authorize the issuance of a restricted license for a period not to exceed the term of the
61 suspension of the person's license or privilege to operate a motor vehicle in the Commonwealth. Such
62 restricted license shall be valid solely for operation of a motor vehicle between such person's home and
63 his place of employment or the institution of higher education where he is enrolled.

64 3. If any person is convicted a third time of committing, when he was less than 18 years old, (i) an
65 offense for which demerit points have been assessed or are assessable under Article 19 (§ 46.2-489 et
66 seq.) or (ii) a violation of any provision of Article 12 (§ 46.2-1091 et seq.) or Article 13 (§ 46.2-1095
67 et seq.) of Chapter 10, the Commissioner shall revoke such person's driver's license or privilege to
68 operate a motor vehicle for one year or until such person reaches the age of 18 years, whichever is
69 longer. Such revocation shall be consecutive to, and not concurrent with, any other period of license
70 suspension, revocation, or denial.

71 4. In no event shall any person subject to the provisions of this section be subject to the suspension
72 or revocation provisions of subdivision 2 or 3 for multiple convictions arising out of the same
73 transaction or occurrence.

74 B. The initial license issued to any person younger than 18 years of age shall be deemed a
75 provisional driver's license. Until the holder is 18 years old, a provisional driver's license shall not
76 authorize its holder to operate a motor vehicle with more than one passenger who is less than 21 years
77 old. After the first year the provisional license is issued, the holder may operate a motor vehicle with up
78 to three passengers who are less than 21 years old (i) when the holder is driving to or from a
79 school-sponsored activity, (ii) when a licensed driver who is at least 21 years old is occupying the seat
80 beside the driver, or (iii) in cases of emergency. These passenger limitations, however, shall not apply to
81 members of the driver's family or household. For the purposes of this subsection, "a member of the
82 driver's family or household" means any of the following: (a) the driver's spouse, children, stepchildren,
83 brothers, sisters, half-brothers, half-sisters, first cousins, and any individual who has a child in common
84 with the driver, whether or not they reside in the same home with the driver; (b) the driver's
85 brothers-in-law and sisters-in-law who reside in the same home with the driver; and (c) any individual
86 who cohabits with the driver, and any children of such individual residing in the same home with the
87 driver.

88 C. The holder of a provisional driver's license shall not operate a motor vehicle on the highways of
89 the Commonwealth between the hours of midnight and 4:00 a.m. except when driving (i) to or from a
90 place of business where he is employed; (ii) to or from an activity that is supervised by an adult and is
91 sponsored by a school or by a civic, religious, or public organization; (iii) accompanied by a parent, a
92 person acting in loco parentis, or by a spouse who is 18 years old or older, provided that such person
93 accompanying the driver is actually occupying a seat beside the driver and is lawfully permitted to
94 operate a motor vehicle at the time; or (iv) in cases of emergency, including response by volunteer
95 firefighters and volunteer emergency medical services personnel to emergency calls.

96 D. The provisional driver's license restrictions in subsections B and C shall expire on the holder's
97 eighteenth birthday. A violation of the provisional driver's license restrictions in subsection B or C shall
98 constitute a traffic infraction. For a second or subsequent violation of the provisional driver's license
99 restrictions in subsection B or C, in addition to any other penalties that may be imposed pursuant to
100 § 16.1-278.10, the court may suspend the juvenile's privilege to drive for a period not to exceed six
101 months.

102 E. A violation of subsection B or C shall not constitute negligence, be considered in mitigation of
103 damages of whatever nature, be admissible in evidence, or be the subject of comment by counsel in any
104 action for the recovery of damages arising out of the operation, ownership, or maintenance of a motor
105 vehicle, nor shall anything in this subsection change any existing law, rule, or procedure pertaining to
106 any such civil action.

107 F. No law-enforcement officer shall stop a motor vehicle for a violation of this section. No evidence
108 discovered or obtained as the result of a stop in violation of this subsection, including evidence
109 discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other
110 proceeding.

111 § 46.2-646. Expiration and renewal of registration.

112 A. Every registration under this title, unless otherwise provided, shall expire on the last day of the
113 twelfth month next succeeding the date of registration. Every registration, unless otherwise provided,
114 shall be renewed annually on application by the owner and by payment of the fees required by law, the
115 renewal to take effect on the first day of the month succeeding the date of expiration. Notwithstanding
116 these limitations, the Commissioner may extend the validity period of an expiring registration if (i) the
117 Department is unable to process an application for renewal due to circumstances beyond its control, and
118 (ii) the extension has been authorized under a directive from the Governor. However, in no event shall
119 the validity period be extended more than 90 days per occurrence of such conditions.

120 B. All motor vehicles, trailers, and semitrailers registered in the Commonwealth shall, at the

discretion of the Commissioner, be placed in a system of registration on a monthly basis to distribute the work of registering motor vehicles as uniformly as practicable throughout the 12 months of the year. All such motor vehicles, trailers, and semitrailers, unless otherwise provided, shall be registered for a period of 12 months. The registration shall be extended, at the discretion of the Commissioner, on receipt of appropriate prorated fees, as required by law, for a period of not less than one month nor more than 11 months as is necessary to distribute the registrations as equally as practicable on a monthly basis. The Commissioner shall, on request, assign to any owner or owners of two or more motor vehicles, trailers, or semitrailers the same registration period. The expiration date shall be the last day of the twelfth month or the last day of the designated month. Except for motor vehicles, trailers, and semitrailers registered for more than one year under subsection C of this section, every registration shall be renewed annually on application by the owner and by payment of fees required by law, the renewal to take effect on the first day of the succeeding month.

C. The Commissioner may offer, at his discretion, an optional multi-year registration for all motor vehicles, trailers, and semitrailers except for (i) those registered under the International Registration Plan and (ii) those registered as uninsured motor vehicles. When this option is offered and chosen by the registrant, all annual and 12-month fees due at the time of registration shall be multiplied by the number of years or fraction thereof that the vehicle will be registered.

D. For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons where proof of compliance with this section is provided to the court on or before the court date.

E. ~~No law-enforcement officer shall stop a motor vehicle due to an expired registration sticker prior to the first day of the fourth month after the original expiration date. No evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other proceeding.~~

§ 46.2-810.1. Smoking in vehicle with a minor present; civil penalty.

A. For the purposes of this section, "smoke" means to carry or hold any lighted pipe, cigar, or cigarette of any kind or any other lighted smoking equipment or to light or inhale or exhale smoke from a pipe, cigar, or cigarette of any kind or any other lighted smoking equipment.

B. It is unlawful for a person to smoke in a motor vehicle, whether in motion or at rest, when a minor under the age of 15 is present in the motor vehicle. A violation of this section is punishable by a civil penalty of \$100 to be paid into the state treasury and credited to the Literary Fund. No demerit points shall be assigned under Article 19 (§ 46.2-489 et seq.) of Chapter 3 and no court costs shall be assessed for a violation of this section. A violation of this section may be charged on the uniform traffic summons form.

C. ~~No law-enforcement officer shall stop a motor vehicle for a violation of this section. No evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other proceeding.~~

§ 46.2-923. How and where pedestrians to cross highways.

A. When crossing highways, pedestrians shall not carelessly or maliciously interfere with the orderly passage of vehicles. They shall cross, wherever possible, only at intersections or marked crosswalks. Where intersections contain no marked crosswalks, pedestrians shall not be guilty of negligence as a matter of law for crossing at any such intersection or between intersections when crossing by the most direct route.

B. The governing body of any town or city or the governing body of a county authorized by law to regulate traffic may by ordinance permit pedestrians to cross an intersection diagonally when all traffic entering the intersection has been halted by lights, other traffic control devices, or by a law-enforcement officer.

C. ~~No law-enforcement officer shall stop a pedestrian for a violation of this section. No evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence discovered or obtained with the person's consent, shall be admissible in any trial, hearing, or other proceeding.~~

§ 46.2-926. Pedestrians stepping into highway where they cannot be seen.

A. No pedestrian shall step into a highway open to moving vehicular traffic at any point between intersections where his presence would be obscured from the vision of drivers of approaching vehicles by a vehicle or other obstruction at the curb or side. The foregoing prohibition shall not apply to a pedestrian stepping into a highway to board a bus or to enter a safety zone, in which event he shall cross the highway only at right angles.

B. ~~No law-enforcement officer shall stop a pedestrian for a violation of this section. No evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence discovered or obtained with the person's consent, shall be admissible in any trial, hearing, or other~~

182 proceeding.

183 **§ 46.2-1003. Illegal use of defective and unsafe equipment.**

184 A. It shall be unlawful for any person to use or have as equipment on a motor vehicle operated on a
185 highway any device or equipment mentioned in § 46.2-1002 ~~which~~ *that* is defective and in an unsafe
186 condition.

187 B. For any summons issued for a violation of this section, the court may, in its discretion, dismiss
188 the summons, where proof of compliance with this section is provided to the court on or before the
189 court date.

190 C. ~~No law-enforcement officer shall stop a motor vehicle for a violation of this section. No evidence~~
191 ~~discovered or obtained as the result of a stop in violation of this subsection, including evidence~~
192 ~~discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other~~
193 ~~proceeding.~~

194 **§ 46.2-1013. Tail lights.**

195 A. Every motor vehicle and every trailer or semitrailer being drawn at the end of one or more other
196 vehicles shall carry at the rear two red lights plainly visible in clear weather from a distance of 500 feet
197 to the rear of such vehicle.

198 B. ~~All *Such* tail lights required pursuant to subsection A shall be constructed and so mounted in their~~
199 ~~relation to the rear license plate as to illuminate the license plate with a white light so that the same~~
200 ~~may be read from a distance of 50 feet to the rear of such vehicle. Alternatively, a separate white light~~
201 ~~shall be so mounted as to illuminate the rear license plate from a distance of 50 feet to the rear of such~~
202 ~~vehicle. No law-enforcement officer shall stop a motor vehicle for a violation of this subsection. No~~
203 ~~evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence~~
204 ~~discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other~~
205 ~~proceeding.~~

206 C. Any *such* tail lights or special white light required pursuant to this section shall be of a type
207 approved by the Superintendent.

208 D. In any instance where the tail light is to be installed on a boat trailer and the boat extends beyond
209 the end of the trailer or to the end of the trailer, an approved portable light assembly or assemblies may
210 be attached to the exposed rear of the boat, provided such installation complies with the visibility
211 requirements of this section. The provisions of this section shall not apply to motorcycles.

212 **§ 46.2-1014. Brake lights.**

213 A. Every motor vehicle, trailer, or semitrailer, except an antique vehicle not originally equipped with
214 a brake light, registered in the Commonwealth and operated on the highways in the Commonwealth
215 shall be equipped with at least two brake lights of a type approved by the Superintendent. Such brake
216 lights shall automatically exhibit a red or amber light plainly visible in clear weather from a distance of
217 500 feet to the rear of such vehicle when the brake is applied.

218 The provisions of this section shall not apply to motorcycles or autocycles equipped with brake lights
219 as required by § 46.2-1012.

220 B. ~~No law-enforcement officer shall stop a motor vehicle, trailer, or semitrailer for a violation of this~~
221 ~~section, except that a law-enforcement officer may stop a vehicle if it displays no brake lights that meet~~
222 ~~the requirements set forth in subsection A. No evidence discovered or obtained as the result of a stop in~~
223 ~~violation of this subsection, including evidence discovered or obtained with the operator's consent, shall~~
224 ~~be admissible in any trial, hearing, or other proceeding.~~

225 **§ 46.2-1014.1. Supplemental high mount stop light.**

226 A. Whenever operated on the highways, every Virginia-registered passenger car manufactured for the
227 1986 or subsequent model year shall be equipped with a supplemental center high mount stop light of a
228 type approved by the Superintendent or which meets the standards adopted by the United States
229 Department of Transportation. The light shall be mounted as near the vertical center line of the vehicle
230 as possible. The light shall be actuated only in conjunction with the vehicle's brake lights and hazard
231 lights. Any supplemental high mount stop light installed on any other vehicle shall comply with those
232 requirements.

233 B. ~~No law-enforcement officer shall stop a motor vehicle for a violation of this section. No evidence~~
234 ~~discovered or obtained as the result of a stop in violation of this subsection, including evidence~~
235 ~~discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other~~
236 ~~proceeding.~~

237 **§ 46.2-1030. When lights to be lighted; number of lights to be lighted at any time; use of**
238 **warning lights.**

239 A. Every vehicle in operation on a highway in the Commonwealth shall display lighted headlights
240 and illuminating devices as required by this article (i) from sunset to sunrise; (ii) during any other time
241 when, because of rain, smoke, fog, snow, sleet, insufficient light, or other unfavorable atmospheric
242 conditions, visibility is reduced to a degree whereby persons or vehicles on the highway are not clearly
243 discernible at a distance of 500 feet; and (iii) whenever windshield wipers are in use as a result of fog,

rain, sleet, or snow. The provisions of this subsection, however, shall not apply to instances when windshield wipers are used intermittently in misting rain, sleet, or snow.

B. Not more than four lights used to provide general illumination ahead of the vehicle, including at least two headlights and any other combination of fog lights or other auxiliary lights approved by the Superintendent, shall be lighted at any time. However, motorcycles may be equipped with and use not more than five approved lights in order to provide general illumination ahead of the motorcycle. These limitations shall not preclude the display of warning lights authorized in §§ 46.2-1020 through 46.2-1027, or other lights as may be authorized by the Superintendent.

C. Vehicles equipped with warning lights authorized in §§ 46.2-1020 through 46.2-1027 shall display lighted warning lights as authorized in such sections at all times when responding to emergency calls, towing disabled vehicles, or constructing, repairing, and maintaining public highways or utilities on or along public highways, except that amber lights on vehicles designed with a ramp on wheels and a hydraulic lift with a capacity to haul or tow another vehicle, commonly referred to as "rollback," need not be lit while the vehicle is in motion unless it is actually towing a vehicle.

D. The failure to display lighted headlights and illuminating devices under the conditions set forth in clause (iii) of subsection A shall not constitute negligence per se, nor shall violation of clause (iii) of subsection A constitute a defense to any claim for personal injury or recovery of medical expenses for injuries sustained in a motor vehicle accident.

E. No demerit points shall be assessed for failure to display lighted headlights and illuminating devices during periods of fog, rain, sleet, or snow in violation of clause (iii) of subsection A.

F. No citation for a violation of clause (iii) of subsection A shall be issued unless the officer issuing such citation has cause to stop or arrest the driver of such motor vehicle for the violation of some other provision of this Code or local ordinance relating to the operation, ownership, or maintenance of a motor vehicle or any criminal statute. ~~No law-enforcement officer shall stop a motor vehicle for a violation of this section, except that a law-enforcement officer may stop a vehicle if it displays no lighted headlights during the time periods set forth in subsection A. No evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other proceeding.~~

§ 46.2-1049. Exhaust system in good working order.

~~A.~~ No person shall drive and no owner of a vehicle shall permit or allow the operation of any such vehicle on a highway unless it is equipped with an exhaust system in good working order and in constant operation to prevent excessive or unusual levels of noise, provided, however, that for motor vehicles, such exhaust system shall be of a type installed as standard factory equipment, or comparable to that designed for use on the particular vehicle as standard factory equipment or other equipment that has been submitted to and approved by the Superintendent or meets or exceeds the standards and specifications of the Society of Automotive Engineers, the American National Standards Institute, or the federal Department of Transportation.

As used in this section, "exhaust system" means all the parts of a vehicle through which the exhaust passes after leaving the engine block, including mufflers and other sound dissipative devices.

Chambered pipes are not an effective muffling device to prevent excessive or unusual noise, and any vehicle equipped with chambered pipes shall be deemed in violation of this section.

The provisions of this section shall not apply to (i) any antique motor vehicle licensed pursuant to § 46.2-730, provided that the engine is comparable to that designed as standard factory equipment for use on that particular vehicle, and the exhaust system is in good working order, or (ii) converted electric vehicles.

~~B. No law-enforcement officer shall stop a motor vehicle for a violation of this section. No evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other proceeding.~~

§ 46.2-1052. Tinting films, signs, decals, and stickers on windshields, etc.; penalties.

A. As used in this article, unless the context requires a different meaning:

"Front side windows" means those windows located adjacent to and forward of the driver's seat.

"Holographic effect" means a picture or image that may remain constant or change as the viewing angle is changed.

"Multipurpose passenger vehicle" means any motor vehicle that is (i) designed to carry no more than 10 persons and (ii) constructed either on a truck chassis or with special features for occasional off-road use.

"Prism effect" means a visual, iridescent, or rainbow-like effect that separates light into various colored components that may change depending on viewing angle.

"Rear side windows" means those windows located to the rear of the driver's seat.

"Rear window" or "rear windows" means those windows that are located to the rear of the passenger

305 compartment of a motor vehicle and that are approximately parallel to the windshield.

306 B. Except as otherwise provided in this article or permitted by federal law, it shall be unlawful for
307 any person to operate any motor vehicle on a highway with any sign, poster, colored or tinted film,
308 sun-shading material, or other colored material on the windshield, front or rear side windows, or rear
309 windows of such motor vehicle. This provision, however, shall not apply to any certificate or other
310 paper required by law or permitted by the Superintendent to be placed on a motor vehicle's windshield
311 or window.

312 The size of stickers or decals used by counties, cities, and towns in lieu of license plates shall be in
313 compliance with regulations promulgated by the Superintendent. Such stickers shall be affixed on the
314 windshield at a location designated by the Superintendent.

315 C. Notwithstanding the foregoing provisions of this section, whenever a motor vehicle is equipped
316 with a mirror on each side of such vehicle, so located as to reflect to the driver of such vehicle a view
317 of the highway for at least 200 feet to the rear of such vehicle, any or all of the following shall be
318 lawful:

319 1. To drive a motor vehicle equipped with one optically grooved clear plastic right-angle rear view
320 lens attached to one rear window of such motor vehicle, not exceeding 18 inches in diameter in the case
321 of a circular lens or not exceeding 11 inches by 14 inches in the case of a rectangular lens, which
322 enables the driver of the motor vehicle to view below the line of sight as viewed through the rear
323 window;

324 2. To have affixed to the rear side windows, rear window or windows of a motor vehicle any sticker
325 or stickers, regardless of size; or

326 3. To drive a motor vehicle when the driver's clear view of the highway through the rear window or
327 windows is otherwise obstructed.

328 D. Except as provided in § 46.2-1053, but notwithstanding the foregoing provisions of this section,
329 no sun-shading or tinting film may be applied or affixed to any window of a motor vehicle unless such
330 motor vehicle is equipped with a mirror on each side of such motor vehicle, so located as to reflect to
331 the driver of the vehicle a view of the highway for at least 200 feet to the rear of such vehicle, and the
332 sun-shading or tinting film is applied or affixed in accordance with the following:

333 1. No sun-shading or tinting films may be applied or affixed to the rear side windows or rear
334 window or windows of any motor vehicle operated on the highways of the Commonwealth that reduce
335 the total light transmittance of such window to less than 35 percent;

336 2. No sun-shading or tinting films may be applied or affixed to the front side windows of any motor
337 vehicle operated on the highways of the Commonwealth that reduce total light transmittance of such
338 window to less than 50 percent;

339 3. No sun-shading or tinting films shall be applied or affixed to any window of a motor vehicle that
340 (i) have a reflectance of light exceeding 20 percent or (ii) produce a holographic or prism effect.

341 Any person who operates a motor vehicle on the highways of the Commonwealth with sun-shading
342 or tinting films that (i) have a total light transmittance less than that required by subdivisions 1 and 2,
343 (ii) have a reflectance of light exceeding 20 percent, or (iii) produce holographic or prism effects is
344 guilty of a traffic infraction but shall not be awarded any demerit points by the Commissioner for the
345 violation.

346 Any person or firm who applies or affixes to the windows of any motor vehicle in Virginia
347 sun-shading or tinting films that (i) reduce the light transmittance to levels less than that allowed in
348 subdivisions 1 and 2, (ii) have a reflectance of light exceeding 20 percent, or (iii) produce holographic
349 or prism effects is guilty of a Class 3 misdemeanor for the first offense and of a Class 2 misdemeanor
350 for any subsequent offense.

351 E. The Division of Purchases and Supply, pursuant to § 2.2-1112, shall determine the proper
352 standards for equipment or devices used to measure light transmittance through windows of motor
353 vehicles. Law-enforcement officers shall use only such equipment or devices to measure light
354 transmittance through windows that meet the standards established by the Division. Such measurements
355 made by law-enforcement officers shall be given a tolerance of minus seven percentage points.

356 F. No film or darkening material may be applied on the windshield except to replace the sunshield in
357 the uppermost area as installed by the manufacturer of the vehicle.
