2. Patron: Morefield

3. Committee: Local Government

4. Title: Southwest Regional Recreation Authority; powers.

5. Summary: Provides for the board of the Authority to adopt policies for the procurement of goods and services and requires such policies to incorporate certain provisions of the Virginia Public Procurement Act. 7. Fiscal Impact Estimates: See Item 8.

8. Fiscal Implications: This bill permits the Southwest Regional Recreation Authority (SRRA) to lease motor vehicles and construction and forestry equipment from the Department of General Services (DGS) and the Virginia Department of Transportation (VDOT). DGS would only be able to lease light duty passenger vehicles, and this would not create a fiscal impact to DGS. VDOT indicates this bill presents no fiscal impact as the SRRA would pay to lease the equipment, however VDOT may need to replace those vehicles to meet operational needs.

The Virginia Tourism Authority indicates this bill presents no fiscal impact.

9. Specific Agency or Political Subdivisions Affected: Southwest Regional Recreation Authority; Department of General Services, Office of Fleet Management Services; Virginia Department of Transportation

10. Technical Amendment Necessary: No.
